Alexander, a documented Crip gang member, has an extensive adult criminal history that began at the age of 28. His convictions include battery, carrying a concealed weapon, receiving stolen property, inflicting corporal injury on spouse, vehicle theft, attempted prison escape, possession of controlled substance paraphernalia, petty theft with prior convictions, violation of parole, multiple grand theft convictions, driving without license, vandalism, burglary and a driving under the influence. He has served multiple state prison terms the longest a three (3) year term for grand theft. Alexander was released from state prison to the supervision of the Los Angeles County Probation Department on May 28th, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2014 after he absconded from post release community supervision (PRCS). Alexander qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of grand theft is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
